Congratulations!!!
Nick Edwards

Here is Nick with his daughter Emani

Nick Edwards
hit
20K!

NICK EDWARDS

...moved to Arizona knowing nobody, but his brother who introduced him to Jason Poyner. That is where he heard the XanGo story. He has a daughter, Emani, and it broke his heart to miss

her sport events because of work. By reaching 20K, he is in the position to never again miss one of her functions.
